

ETGG4803

Lab7: **OpenCV**

Points: **30**

Assigned: **11/14/2017**

Due: (batch #3) **before 12/7/2017 @ 5pm**

**(5 points)** Attend, and do the tutorials with Jason on 11/14/2017

**(5 – 40+ points)** Do something amazing in OpenCV. Some metrics:

- replicating someone else's tutorial (I've seen a lot of them...):=> **5 points**
- working from someone's tutorial and taking an interesting twist:=> **25 points**
- researching a technique, do something cool in it, and be able to truly explain it :=> **40+ points**
